Vicksburg Herald, Thursday: "We copied yesterday, from the Natchez Democrat, a statement in regard to the steamer Vicksburg, which we find, from the facts before

us, needs some explanation. United States Marshal Hunt was in the city yesterday, and we briefly interviewed him on the subject He says that on Friday last he received a telegram at Jackson from parties in this city, stating, in effect, that the Vicksburg had es caped from the deputy-marshal here, asking him to telegraph his deputy-marshal at Natchez to stop her, and to send Deputy-Marshal Tinney, of this place, after her. Colonel Hunt telegraphed to Mr. Tinney for the facts, but the latter was in attendance on the ceremonies of Decoration day, and did not receive the disratch. After waiting for not receive the dispatch. After waiting for some time, and failing to get an answer, Colonel Hunt dispatched to Natchez as re-quested, and the substance of that dispatch was published in the Natchez Democrat. The facts are, that a writ was placed in the hands of Deputy-Marshal Tinney to be served on tne boat, but the parties interested failed to provide for the costs and Mr. Tinney did not serve the writ. The boat, therefore, did not escape service or custody, but left scot free, to go where she pleases. Colonel Hunt says

was based on a wrong statement of facts." A Word to Tourists. You cannot have a better companion on your journey than Hostetter's Stomach Bitters.
